Red Roses for Antonia

Move over Mario. Antonia has found a second "Match made in Heaven." The lady in silver and her new bay stallion were all the rage at the U.S. Nationals in Tulsa. Decked out in smiles and bright red roses, they fairly glowed after their big win in the 2008 Western Pleasure Amateur 55 & Over. "I just couldn't believe it!" Antonia laughed. "It was so emotional for me. A real dream come true!" Antonia is gracious with her applause and thanks to her supporters ... husband Mario, trainer Kelly Elm, Greg Harris and Rafael Perez. But Psyncinati Kid knows who gets the real credit ... Just look at that Arabian grin!

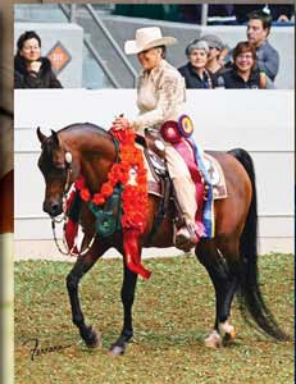

See Antonia and her talented fellas, Psyncinati Kid and Pocket Rockett +//, in Western competition at the 2009 Scottsdale Show. Those boys would do absolutely anything for Antonia ...
... and that goes for you too, Mario!
